About Us

Sensation is a full-service wedding and event planning company founded in 2002. We at sensation provide event management from concept to execution. Whether you're planning a classic dinner or an elaborate wedding; you deserve to have a coordinator that will help you every step of the way.

Other than providing you with coordinators that will assist in keeping you organized, we also have our own furniture stock that we rent out for events.

Sensation's journey started with providing Jordan's top event planners with furniture pieces, from dining tables to stools to napkin rings and other accessories.

Bringing classic and high quality pieces to the event management industry in Jordan, Sensation was introduced as one of the top furniture suppliers in the region. By pairing together our passion for supplying and experience in managing events, we bring a fresh and unique approach to the event management industry.

ThankYou
